Patents Showing: View as: Patents **1 - 8 on failover monitor indicator flag. (0.07 seconds)**

Sort by relevance | [Sort by date \(new first\)](#) | [Sort by date \(old first\)](#)

System and method for allocating fail-over memory

US Pat. 7100071 - Filed Jul 31, 2002 - Hewlett-Packard Development Company, L.P.

In one exemplary embodiment, the **monitor** process can be performed to detect ... a **flag** status **indicator** that shows the status of a virtual channel memory, ...

Methods and apparatus for controlling the transmission of stream data

US Pat. 6910078 - Filed Nov 15, 2001 - Cisco Technology, Inc.

6, the event detector 156 operating within the **failover** manager process 150 ... within the stream data, an **indicator** such as a **flag** within an unused field ...

[APPLICATION] Fail-over cluster with load-balancing capability

US Pat. 11225679 - Filed Sep 13, 2005

monitor requests the workload parameters of all the servers in the cluster to the metrics ... by setting a corresponding **flag** in the corresponding table); ...

[APPLICATION] System and method for fail-over data transport

US Pat. 9840671 - Filed Apr 23, 2001

The PTA 16 uses the timestamp information to **monitor** and limit the time that ... DDM 14 transactions with a status **flag** indicating the loss of peer service. ...

[APPLICATION] Data synchronizer with failover facility

US Pat. 11125546 - Filed May 10, 2005 -

For example, the progress store may include an **indicator** ... while all of the synchronizers **monitor** synchronization progress to ... **flag** by locking the ...

Systems, methods, and devices for detecting circuit faults

US Pat. 7124041 - Filed Sep 26, 2005 - Siemens Energy & Automotive, Inc.

A graphical element can be provided, for example, via a **monitor**, display, projector, and/or visual indication device, such as a light, **flag**, beacon, etc.

...

Systems and methods for displaying hazards

US Pat. 7312743 - Filed May 8, 2006 - Aviation Communication & Sureillance Systems, LLC

The image and data for 5 ventional airborne weather radar **indicator** for display of updating the ... a **flag**, Display information to the radar display 240. ...

[APPLICATION] Systems and methods for displaying hazards

US Pat. 10774000 - Filed Feb 6, 2004

... a **flag**, color, texture, or status) associated with the representation to ...

a conventional airborne weather radar **indicator** for display of terrain, ...

 Stay up to date on these results using the patents RSS feed on **failover monitor indicator flag**.
